

September 2022

Dear Parents and Carers,

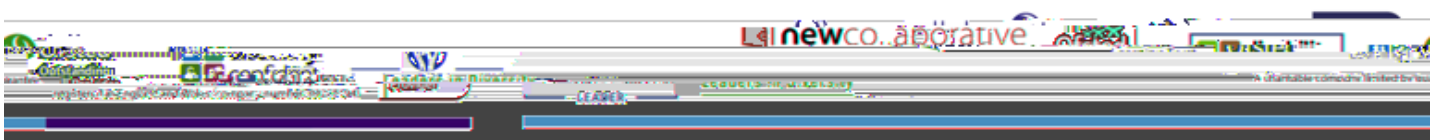

We are very pleased to invite you to join our welcome presentation for parents and carers on [redacted] at New College Doncaster. The presentation will be delivered twice, so please arrive either for the presentation which starts at [redacted] or for the presentation starting at [redacted].

During the presentation, we will discuss the support we provide for students, will introduce some key people, and will outline some of the important elements of our culture and systems. Parents and carers will also be welcome to ask any questions they may have about New College Doncaster at the end of the presentation.

Cedar is an online portal accessible to teachers, students, parents and carers and you will find this invaluable over the next two years, helping you to check how things are going at college, and getting in touch with teachers and Progress Tutors directly if you would like to. We strongly encourage parents to regularly log into this system.

You can access Cedar by visiting <http://cedar.ncdoncaster.ac.uk/>. This web-based portal allows you to see:

- Real-time details of how a student has performed in each of their formal assessments or mock exams and how this compares with their minimum target grades.
- A record of pastoral support, which includes commendations, praise and celebration when things are going well. The pastoral log also details any extra help, support or guidance provided to students, and information about any concerns and actions taken to address them.
